## CERTIFICATE IN ESTATE AND TRUST ADMINISTRATION

### About STEP

The Society of Trust and Estate Practitioners is a unique professional association. It is the leading representative and training organization for trust and estate practitioners. Headquartered in London, England, STEP provides members with local, national, and international educational and business networks of 20,000 professionals in 95 countries, all of whom are focused on the responsible management of assets today and for generations to come.

*STEP Canada, founded in 1998, has over 2,400 members with branches in Vancouver, Calgary, Edmonton, Winnipeg, Toronto, Ottawa, Montreal, the Atlantic region; and chapters in London & Southwestern Ontario, the Okanagan Valley, and Saskatchewan.*

Education is one of STEP's primary goals and the key to its mission – to raise and promote standards in technical knowledge and public service.

### About CETA

The Certificate in Estate and Trust Administration is the industry preferred standard that provides benchmark professional development for trust officers, estate and trust administrators, law clerks, junior associates, paralegals, wealth management sales representatives, retail bankers, junior trust officers and administrative assistants in the field of trusts and estates.

CETA will be of value to individuals who want to advance their careers and employers who want to avail themselves of the many business opportunities resulting from today's changing demographics. Organizations staffed by knowledgeable estate administrators and trust officers who can skillfully manage this changing market will attract new opportunities and clients. The CETA program is the preferred learning program for major Canadian trust institutions.

The self-study, online CETA program consists of three courses and a final examination. The program includes tutorial support, self-assessment quizzes, and social media networking. Students are expected to finish within four years and achieve a minimum grade of 60 percent. Single-course registration is available for the foundational curriculum (CETA 1) only. Progressing beyond CETA 1, courses must be taken sequentially. Currently available in English, French language product is forthcoming.

“ I have completed the 2nd course of the CETA program and have found it very applicable to my day-to-day work. This program provides a good foundation in learning the essentials to Estates and Trust Administration. The online materials are easy to read and provide a useful resource later on. It's a beneficial program to take, especially if you're new to the industry. ”

*Trust Administrator, Vancouver*

“ The material is up-to-date and relevant to my job functions... I'd recommend this certificate program to all clerks, trust officers, or junior lawyers who perform trust and estate duties as it was **not only a refresher for me but I'm kept abreast of legislation changes**. It's also great that all jurisdictions in Canada are covered in the material. ”
